Teachers and support staff will receive regular and ongoing training as part of their development.

Social media use – pupils and parents/carers

- Pupils may not access social media during lesson time, unless it is part of a curriculum activity.
- Breaches of this policy by pupils will be taken seriously, and in the event of illegal, defamatory or discriminatory content could lead to prosecution, or exclusion.

- Pupils must not attempt to "friend" or otherwise contact members of staff through social media. If attempts to contact members of staff through social media are made, they will be reported to the Headteacher.
- If members of staff attempt to "friend" or otherwise contact pupils through social media, they should be reported to the Headteacher.
- Pupils and parents/carers should not post anonymously or under an alias to evade the guidance given in this policy.
- Pupils and parents/carers must not post content online which is damaging to the academy or any of its staff or pupils.
- Pupils at our academy must not sign up to social media sites that have an age restriction above the pupil's age.
- If inappropriate content is accessed online on school premises, it must be reported to a teacher.

Blocked content

The following social media websites are blocked by the network's firewalls:

- Facebook, Instagram and Snapchat and other similar sites

Attempts to circumvent the network's firewalls will result in a ban from using school computing equipment, other than with close supervision.

Inappropriate content which is accessed on the school computers should be reported to the Headteacher and the site will be blocked.

Requests may be made to access erroneously blocked content by submitting a request to the Headteacher.

The final decision on whether access should be granted to a site will be made by the Headteacher.

Cyber bullying

At the JMAT and its schools cyber bullying is taken seriously. Incidents of cyber bullying will be dealt with and reported along the same chain as the Anti-Bullying Policy and/or Peer on Peer Abuse Policy.

Staff members should never respond or retaliate to cyberbullying incidents. Incidents should instead be reported as inappropriate, and support sought from their line manager or senior staff member. Evidence from the incident should be saved, including screen prints of messages or web pages, and the time and date of the incident.

Where the perpetrator is a current pupil or colleague, most cases can be dealt with through the JMAT's own disciplinary procedures.

Where the perpetrator is an adult, in nearly all cases, the Headteacher should invite the victim to a meeting to address their concerns. Where appropriate, the perpetrator will be asked to remove the offensive content.

If the perpetrator refuses to comply, it is up to the Headteacher to decide what to do next. This could include contacting the Internet service provider in question through their reporting mechanisms, if the offensive content breaches their terms and conditions.
If the material is threatening, abusive, sexist, of a sexual nature or constitutes a hate crime, the Headteacher should consider contacting the police.

As part of our on-going commitment to the prevention of cyber bullying, regular education and discussion about e-safety will take place as part of computing and PSHE.

Be SMART online

We encourage pupils to take a SMART approach to social media behaviour:

Safe – Do not give out personal information, or post photos of yourself to people you talk to online. Follow age restriction rules.

Meeting – Do not meet somebody you have only met online. We encourage parents/carers to speak regularly to their children about who they are talking to online.

Accepting – We advise that pupils only open emails and other forms of communication from people they already know.

Reliable – We teach pupils about the dangers of believing everything they see online.

Tell – We encourage pupils to tell a teacher, parent or carer if they see anything online that makes them feel uncomfortable.

Monitoring, Evaluation and Policy review

The policy will be promoted and implemented throughout the JMAT schools.

This policy will be assessed for its implementation and effectiveness **annually** by the **DSL**.

The scheduled review date for this policy is **September 2022**
